

To All John Jay Soccer Players:

To access your school email account (and get Coach Seipp's emails to you), complete the following steps:

Go to www.gmail.com

Add the following account:

Username: `firstname.lastname@k12.wcsdny.org`

Password: `g00glem3`

(Note: there are 2 zeros in the password followed by the letters "glem" and the number 3)

Once you have logged in, immediately change your password to: Your first name with the first letter as a Capital Letter, followed by your student id#. For Example: **R**obert002342

That should now allow you to view your school email account and get emails that Coach Seipp is sending to you.

If you have any questions or need help, contact Coach Seipp at coachseipp@optonline.net
Note, you can only send emails to other students from your WCSD email address. If you want to email Coach Seipp, you must email him on your personal email account OR email him from your school account to robert.seipp@wcsdny.org
